**INTRODUCTION OF THE STUDY OF
WAYS TO IMPROVE THE ACCU-
RACY OF THE COLLECTION OF
FEDERAL OIL, CONDENSATE,
AND NATURAL GAS ROYALTIES
ACT**

HON. CAROLYN B. MALONEY

OF NEW YORK
IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mrs. MALONEY. Mr. Speaker, today I am reintroducing the Study of Ways to Improve the Accuracy of the Collection of Federal Oil, Condensate, and Natural Gas Royalties Act, which successfully passed the House in the last Congress as an amendment to the Consolidated Land, Energy, and Aquatic Resources (CLEAR) Act. I thank original cosponsors Representatives HINCHEY and GRIJALVA for their support.

At a time of record high gas prices, it is vital to ensure the American taxpayer is fairly and accurately compensated for energy resources extracted from leased federal onshore and offshore lands. This legislation would commission the National Academy of Engineers to study if the production volume measurement of oil, condensate, and natural gas collection on federal lands (including submerged, deep water, and Indian lands) could be improved with alternative methods.

In April 2010, the Government Accountability Office released a study showing the management of production from oil and natural gas leases has been inconsistent and inadequate in past administrations. With revenues from leases amounting to billions of dollars, it is important that American taxpayers accurately know the amount of oil and gas that is extracted on leased federal lands.

A better understanding of the best extraction measurement methods could ultimately result in increased revenue for the federal government. I urge my colleagues to support this legislation in the 112th Congress.

HONORING PAUL E. LANDERS, JR.

HON. JEB HENSARLING

OF TEXAS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mr. HENSARLING. Mr. Speaker, it is my honor today to recognize Major General (Retired) Paul E. Landers, Jr. for his heroic service to our country. General Landers served as deputy chief of staff, operations and transportation at Headquarters Air Mobility Command on Scott Air Force Base, Illinois.

General Landers was a command pilot, logging more than 5,600 flying hours. His military awards and decorations include the Distinguished Service Medal, Legion of Merit with oak leaf cluster, Distinguished Flying Cross with oak leaf cluster, Meritorious Service Medal with oak leaf cluster, Air Medal with 15 oak leaf clusters, Air Force Commendation Medal and Republic of Vietnam Gallantry

Cross with two silver stars. While commander of the 437th Military Airlift Wing, he was awarded the Order of the Sword, the highest honor bestowed by the enlisted force.

I would like to take this opportunity, on behalf of the residents of the 5th District of Texas, to thank General Landers and his family for their service to this country. We are eternally grateful for our service men and women, past and present, who have fought to preserve liberty for our generation and generations to come.

HONORING CHAD OBERMILLER'S
IRONMAN

HON. MIKE QUIGLEY

OF ILLINOIS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mr. QUIGLEY. Mr. Speaker, I rise today in recognition of Chad A. Obermiller, an integral member of my staff and even prouder member of an elite group of athletes—athletes who compete in the phenomenon known only as “The Ironman.”

Few sane individuals voluntarily sign themselves up to compete in such a harrowing and humbling experience. For Chad, he has made such a decision three times, and will be crossing the line this Sunday, June 26, 2011 in Coeur d’Alene, Idaho, to complete his third Ironman.

A 2.4 mile swim, followed by a 112 mile bike, and capped by a full marathon—yes, a 26.2 mile run—it is no surprise that a phrase has been coined specifically to describe those who drag themselves to the finish line following this arduous task: “The Crawl.”

But, I have complete confidence that Chad will cross that line proudly and upright, as he has promised both my staff, as well as me, that he intends to win.

To quote one of Chad’s greatest heroes, Lance Armstrong: “Life, to me, is a series of false limits and my challenge as an athlete is to explore those limits.”

Chad, may you know no limits in Coeur d’Alene.

HONORING RICHARD E. DWELLE

HON. JEB HENSARLING

OF TEXAS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mr. HENSARLING. Mr. Speaker, it is my honor today to recognize Captain Richard E. Dwelle from Athens, Texas for his heroic service to our country.

In 1942, Mr. Dwelle joined the United States Army Reserves and in 1944, he was commissioned for active duty as a 2nd Lieutenant. In December of 1944, Mr. Dwelle arrived in Europe and was assigned as a replacement officer to M Company, 329 Regiment, 83rd Infantry Division where he received a promotion to 1st Lieutenant. Following his valorous service at the Battle of the Bulge and during the Rhine Campaign, Mr. Dwelle was discharged from active duty in June of 1946 and promoted to Captain in the Reserves. Mr. Dwelle later resigned from Reserves after a decade of service.

Mr. Dwelle and his wife Peggy have been an integral part of Henderson County, Texas serving on numerous charitable boards. Mr. Dwelle was named Citizen of the Year in Athens in 1971 and was inducted into the Rice University Sports Hall of Fame in 1997.

I would like to take this opportunity, on behalf of the residents of the 5th District of Texas, to thank Mr. Dwelle and his family for their service to this country. We are eternally grateful for our service men and women, past and present, who have fought to preserve liberty for our generation and generations to come.

RECOGNIZING MORTON MUSEUM
OF COOKE COUNTY

HON. MICHAEL C. BURGESS

OF TEXAS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mr. BURGESS. Mr. Speaker, today I rise in recognition of the Morton Museum of Cooke County in Gainesville, Texas. I am proud to announce that this small local history museum, which has been serving the historical curiosity of the public since 1968, is one of the newest participants in the 2011 Conservation Assessment Program (CAP), a program administered by the Heritage Preservation and funded through the Institute of Museum and Library Services.

CAP is a technical assistance program that, for over twenty years, has been helping small museums that lack conservators or building experts of their own to improve their collections care efforts in terms of their individual budget, staffing, and fundraising capacities. The Morton Museum is one of only five museums in Texas selected for this prestigious grant, and one of only one hundred museums nationwide. With its participation in the Conservation Assessment Program, the museum will receive a professional site visit for assessment and prioritized recommendations for improvements. Together, CAP and the Morton Museum are working hard to ensure an enriching experience for all who visit the museum.

It is not only an honor for the Morton Museum to be selected to participate in this program, but it is also an honor for me to have the opportunity to represent the museum and the people who work so hard to maintain its tradition of excellence in the 26th District of Texas. I commend the Morton Museum’s continuing efforts to improve and serve the people and visitors of Cooke County.

SALUTING WELCOME HOME A
HERO

HON. SAM JOHNSON

OF TEXAS
IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 21, 2011

Mr. SAM JOHNSON of Texas. Mr. Speaker, as a 29-year Air Force veteran and a former Prisoner of War for nearly 7 years, more than half of that time in solitary confinement, it gives me great joy to request that the U.S. House of Representatives formally recognize and commemorate the 7th anniversary of the
